

Night to Remember

MIDNIGHT WALK 2017

As a little incentive to show our appreciation, we have kindly been donated some exclusive pampering prizes by Richard John Hair and Beauty Salon.

All walkers who raise over £100 and return their sponsorship no later than 4 August 2017 will be entered into a prize draw to win some lovely pampering gifts. The more money you raise the more luxurious a prize you can win. Our top fundraiser can look forward to winning a deluxe pamper prize worth over £500!

All winners will be notified by telephone after 4 August 2017

Night to Remember

MIDNIGHT WALK 2017

YOUR SPONSOR MONEY

Our Night to Remember midnight walk will help raise vital funds for St Barnabas House, the adult hospice service for Worthing, Adur, Arun and Henfield. Your entry fees cover the cost of putting on the event only. To help us reach everyone who needs hospice care from St Barnabas House you'll need to get sponsorship. Luckily, it couldn't be easier and we're on hand to help you reach your target.

Our hints and tips are a great tool to get you started. Let's reach everyone who needs hospice care!

How your sponsor money might be spent:

£126 will pay for one day of hospice care at home for a local person

£415 will pay for a full 24 hours of hospice care at home for a local person

£882 will pay for seven days of hospice care at home for a local person

£534 will pay for 3 nights of hospice care at home for a local person

FUNDRAISING HINTS AND TIPS

Part of the fun is getting people to sponsor you for your fundraising challenge and we've got tons of top tips to help you reach your target. You can also refer to the fundraising page on our website, www.nighttoremember.org.uk/stb where there are lots of resources available to download.

Set yourself a target

Set a goal to work towards, you'll feel a great sense of achievement when you reach it!

Get your first sponsor quickly

Once you've got one the rest will follow.

Set up a JustGiving page

Visit www.justgiving.com and set up your fundraising page by selecting St Barnabas House as the charity and choose Night to Remember as the event. You can then email it around your friends and colleagues to make it easy for them to sponsor you online.

Customise your JustGiving page

Don't leave it blank, tell people about why you've taken on the challenge. You can even upload photos, updates on your training and set a target to reach.

Recruit your biggest sponsor first

It will encourage others to follow their lead and generosity.

Use social media

Tweet and post about your training and why you are taking part. Use our hashtag #STBN2R every time you tweet about your challenge.

Carry your sponsor form wherever you go

You never know who you might bump into so be sure to carry your form with you everywhere.

Ask your company to match fund you

Ask your workplace if they will match fund your total raised.

Tell people about St Barnabas House

Tell people where their money goes. The more people who know what you are doing, the more people who hear about St Barnabas and our local services.

Money box

Please use the money box included and fill it with all your spare change or place it at your workplace where your colleagues and customers can help fill it up!

Tell everyone at work

Let all your colleagues know what you are doing, they may even want to sign up with you.

Say thank you to your sponsors

Remember to thank those who sponsor you and tell them how your walk went on the night.

Spread the word

Ask family and friends to help you spread the word via email and social media.

Join up as a team

Tackle your target together and reach more people.

Enjoy it

Fundraising is fun. The more people who get involved, the more you will get out of it.
